# RaiderPlanner Help FAQ

This page provides some helpful information and some commonly asked question about the Raider Planner program. Keeping up to date and on track with assignments is extremely important part of any productive citizen's day.

The upper left hand corner contains the navigation menu.

In the upper right hand corner the mail symbol contains any current notifications, the Calendar symbol expands the RaiderPlanner's calendar and the addition symbol adds a new event.

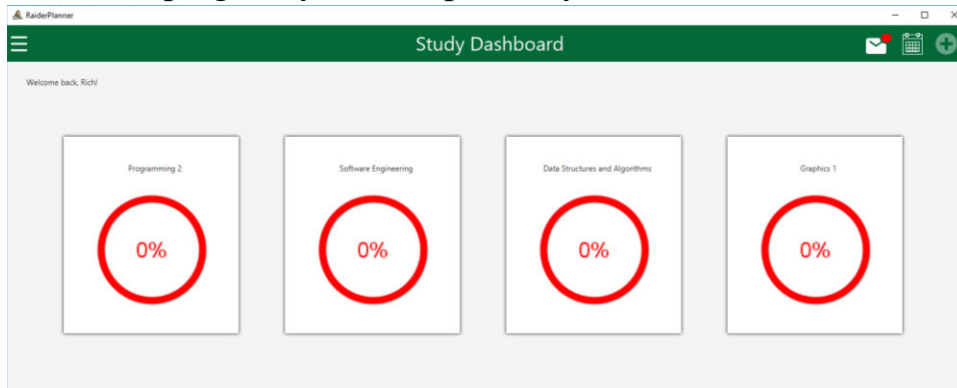

Clicking on the navigation bar expands the Navigation bar which includes the 4 different views of the RaiderPlanner: **Study Dashboard, Milestones, Modules and Study Profiles.**

What is the Study Dashboard?

The homepage of the RaiderPlanner contains the classes you are currently enrolled in and the progress you have presently made.

What is the use of Milestones in Raider Planner?

Contains the major milestones you wish to accomplish.

What are Modules used for?

Contains the Course number and description of the classes you are currently enrolled in. The module also includes the workload and the assignments that need to be completed for each course.

| Module code	Module name	Time spent
CMP-5015Y	Programming 2	0
CMP-5012B	Software Engineering	0
CMP-5014Y	Data Structures and Algorithms	0
CMP-5010B	Graphics 1	0

What are Study Profiles?

Contains the overall scope of your course program, shows information about each year the modules you have added and each year and semester.

Profile name	Year	Semester
2018 Spring semester	2018	1
First year Gryffindor	2017	1

The other items included in the menu bar are the Chat, Help, Import Hub File and Settings.

The chat allows users to interact with each through a chat messaging system

Richard: Hi

Send

What can I change in Settings?

Allows you to change some of the general settings and the appearance of the RaiderPlanner program.
